SELECT COMMITTEE ON INTELLIGENCE
JOINT ECONOMIC COMMITTEE

May 14, 2024

The Honorable Tammy Baldwin
Chair
Subcommittee on Labor, Health and
Human Services, Education, and
Related Agencies
Committee on Appropriations
U.S. Senate
Washington, D.C. 20510

The Honorable Shelley Moore Capito
Ranking Member
Subcommittee on Labor, Health and
Human Services, Education, and
Related Agencies
Committee on Appropriations
U.S. Senate
Washington, D.C. 20510

Dear Chair Baldwin and Ranking Member Capito:

I certify that neither I nor my immediate family have a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2025 Senate Labor, Health and Human Services, Education, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. I further certify that none of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Mark Kelly
United States Senator

**Kelly, Mark(D-AZ) Labor and Health and Human Services
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Central Arizona College	Diagnostic Medical Sonography Education Program - This project will establish a Diagnostic Medical Sonography Education Program at Central Arizona College's Superstition Mountain Campus to address the shortage of ultrasound technicians in Pinal County.	Apache Junction AZ	\$1,400
Horizon Health and Wellness	Horizon Health and Wellness Rural Health Center Expansion Project - This project will expand Horizon Health and Wellness's rural integrated health care services in their Apache Junction and Casa Grande clinics to include radiology and imaging services.	Apache Junction & Casa Grande AZ	\$1,038
Copper Queen Community Hospital	Copper Queen Community Hospital Equipment - This project will provide needed medical equipment for the small-town hospital's new operating rooms, pre/post-operative areas, sterile processing, and inpatient beds unit.	Bisbee AZ	\$3,800
La Paz Regional Hospital	Bouse Health Clinic - This project will construct a primary care clinic in Bouse, Arizona to address the growing healthcare needs of the rural area's residents.	Bouse AZ	\$1,500
North Country HealthCare, Inc.	Bullhead City Dental Clinic - This project will construct a new dental clinic in Bullhead City to address the shortage of dental providers serving vulnerable and underserved children and families.	Bullhead City AZ	\$2,251
Bullhead City Fire Department	Bullhead City Fire Department Ambulance - This project will provide the fire department with a 4-wheel drive ambulance to deliver rural emergency services.	Bullhead City AZ	\$351
Chinle Unified School District No. 24	Chinle Unified Schools Technology Upgrades - This project will allow Chinle Unified School District to provide students and teachers with laptops to enhance learning and close the digital divide that disproportionately impacts many tribal communities.	Chinle AZ	\$3,935
Creek Valley Health Clinic	Creek Valley Wellness and Recovery Center - This project will construct a new health clinic that will provide mental health and substance use disorder education and treatment and chronic disease education, prevention, and management.	Colorado City AZ	\$3,000
Verde Valley Fire District	Verde Valley Fire District Ambulance - This project will replace a 16-year-old ambulance that no longer meets the safety standards for EMS providers rendering patient care.	Cottonwood AZ	\$361
Chiricahua Community Health Centers, Inc.	Early Childhood Center Restoration and Remodel - This project will repair and improve the exterior of the Early Childhood Center of Excellence in Douglas and remodel two wings of the former school building to create additional clinical space for health care delivery and support.	Douglas AZ	\$1,644
Duncan Valley Rural Fire District	Duncan Valley Rural Fire District Vehicle and Equipment - This project will allow Duncan Valley Rural Fire District to procure the equipment necessary to establish a medical response unit capable of providing basic and advanced life support to the sick and injured.	Duncan AZ	\$181
Eloy Fire District	Eloy Fire District Emergency Response Equipment - This project will provide the fire district with the ambulance equipment needed to offer extended-scope critical care during a medical transport.	Eloy AZ	\$258
Northern Arizona University	Nurse Training Program Expansion - This project will expand Northern Arizona University College of Nursing's virtual training program across its four campus locations in Flagstaff, Phoenix, Tucson, and Yuma to augment student clinical experiences in critical need areas.	Flagstaff AZ	\$150

Mohave Community College	Mohave Community College Advanced Manufacturing Training Center - This project will provide the equipment necessary to establish a new advanced manufacturing training center, a hub for hands-on manufacturing workforce programs.	Kingman AZ	\$2,500
Desert Hills Fire District	Desert Hills Fire District Emergency Response Equipment - This project will replace the fire district's aging EKG Heart Monitor/Defibrillators with new technology and provide two CPR Chest Compression Systems to increase survivability rates for patients in cardiac arrest.	Lake Havasu City AZ	\$224
Northwest Fire District	Northwest Fire District Ambulance Equipment - This project will provide emergency response equipment for two Northwest Fire District ambulances to ensure timely lifesaving response and EMS transport within the Town of Marana and unincorporated Pima County.	Marana & Unincorporated Pima County AZ	\$338
Martinez Lake Fire District	Martinez Lake Fire District Hazard Mitigation Plan - This will prepare the Martinez Lake Fire District to reduce risk of both property and loss of life in the aftermath of a natural disaster by providing supportive medical equipment and developing public First Aid and CPR training programs.	Martinez Lake AZ	\$207
Terros, Inc. DBA Terros Health	Stapley Health Center Renovation - This project will renovate Stapley Health Center to expand services offered to the community to include the addition of an on-site pharmacy, more clinical offices, and a group treatment room.	Mesa AZ	\$1,250
Circle the City	East Valley Medical Center - This project will build a new medical facility in Mesa, AZ to serve individuals experiencing homelessness.	Mesa AZ	\$4,900
Mount Lemmon Fire District	Mount Lemmon Fire District Ambulance - This project will replace an aging ambulance that is becoming more difficult to repair to enhance emergency response capabilities.	Mount Lemmon AZ	\$328
City of Nogales	Nogales Fire Department Ambulance - This project will replace two ambulances that are aging and unreliable to enhance Nogales Fire Department's emergency response in the community, including at three ports of entry and along the Southwest border.	Nogales AZ	\$550
Mariposa Community Health Center, Inc.	Mariposa Community Health Center Expansion - This project will expand and renovate Mariposa's health center to improve specialized services for prenatal, postnatal, and pediatric care and provide additional education to expectant families to improve health outcomes for mothers and babies.	Nogales AZ	\$2,000
Buckskin Fire District	Buckskin Fire District Ambulance - This project will add an ambulance and power stretcher to the Buckskin Fire District to allow the district to more quickly transport and treat patients.	Parker AZ	\$394
Adelante Healthcare Inc.	Adelante Health Affordable Housing - This project will replace Adelante's existing health clinic to expand healthcare services and provide affordable housing. By co-locating health and housing, this project will provide wraparound community services, including workforce development.	Phoenix AZ	\$2,500
Wesley Community Center, Inc.	Wesley Community Health Center - This project will support the construction of a new community health center providing primary care and wellness services, strategically located near transportation, social services, and universities to maximize the impact on the community and surrounding areas.	Phoenix AZ	\$2,500
Maricopa County Community College District	Aerospace and Defense Workforce Accelerator - This project will provide a facility to expand defense and commercial aerospace training programs to high schools and community colleges in the Phoenix metropolitan area to boost Arizona's maintenance and repair technician workforce.	Phoenix AZ	\$1,614
Valle del Sol, Inc.	Valle del Sol Healthcare Facility Renovation - This project will renovate a newly leased building and purchase equipment to provide health care services, including dental, mental health, and wraparound services, in the central Phoenix community.	Phoenix AZ	\$1,500

Yavapai Regional Medical Centers	Yavapai Regional Medical Centers Virtual Care – This project will equip patient beds in the Yavapai Regional Medical Centers with Virtually Integrated Care to improve patient care and services.	Prescott & Prescott Valley AZ	\$228
Central Arizona Fire and Medical Authority	Central Arizona Fire and Medical Authority (CAMFA) Ambulances & Equipment - This project will purchase an ambulance and medical equipment to provide critical emergency medical transportation. CAMFA recently received a Certificate of Necessity to provide emergency ambulance transportation services.	Prescott Valley AZ	\$788
Town of Prescott Valley Police Department	Prescott Valley Police Department Emergency Response Equipment - This project will equip law enforcement officers with Automated External Defibrillators (AEDs) to enhance public safety and improve emergency response capabilities within Prescott Valley.	Prescott Valley AZ	\$133
Yavapai College	Yavapai College Health Sciences Center – This project will construct a new Health Sciences Center at Yavapai College. It will allow the college to expand its current Health Sciences programming and add new programs such as Dental Assistant, Pharmacy Technician, Physical Therapy, and Clinical Lab.	Prescott Valley AZ	\$5,000
Town of Queen Creek	Queen Creek Scene Management Equipment - This project will replace outdated equipment used to respond to vehicular and pedestrian accidents and improve the quality and speed of services provided.	Queen Creek AZ	\$306
San Luis Fire Department	San Luis Fire Department Ambulance and Dispatch Software - This project will provide a new ambulance and dispatching software to enhance the department's emergency response capabilities, streamline communication, and improve coordination with other emergency response agencies.	San Luis AZ	\$587
Timber Mesa Fire and Medical District	Timber Mesa Fire and Medical District Emergency Response Vehicles - This project will replace three ambulances and two EMS support vehicles to improve the reliability and efficiency of emergency response within the fire district and the surrounding communities in the White Mountains.	Show Low AZ	\$700
Fry Fire District	Fry Fire District Law Enforcement Medical Equipment - This project will equip law enforcement officers across Cochise County with automated external defibrillators for use on patients in cardiac arrest.	Sierra Vista AZ	\$179
Sunset Community Health Center Inc.	Sunset Somerton Clinic - This project will build a new health clinic to replace an existing facility that does not have sufficient space to provide services at the scale required for the community.	Somerton AZ	\$5,000
City of St Johns	City of St. John's Workforce Training Program - This project will construct a new 25,000 square foot Regional Educational Energy Technology Campus (REETC) to provide training and upskilling program designed for rural communities impacted by the relocation of coal and power generation jobs.	St Johns AZ	\$905
State of Arizona Office of Economic Opportunity	Construction and Trades Apprentice Program - This project will provide for the construction and expansion of an apprenticeship program that connects workers with the skills and on-the-job training needed for high quality jobs in Arizona's construction and trades industry.	Statewide AZ	\$2,000
Arizona State University	ASU Health Care Workforce Initiative - This project will create new ASU CareerCatalyst program offerings focused on health care professional and transdisciplinary health career skills that engage learners to pursue careers in emerging healthcare pathways.	Tempe AZ	\$2,700
Daisy Mountain Fire District	Daisy Mountain Fire District EMS and Fire Training Center - This project will construct a multifunctional EMS training center that will ensure area firefighters maintain the required training hours for paramedics and EMTs.	The Community of New River AZ	\$948

El Rio Santa Cruz Neighborhood Health Center, Inc.	El Rio Health Emergency Generators - This project will provide emergency generators to assure continuity of care in the event of a power outage or an emergency for five El Rio locations throughout Tucson.	Tucson AZ	\$625
Wickenburg Community Hospital Foundation	Wickenburg Community Hospital Equipment Modernization - This project will replace aging and obsolete medical equipment at Wickenburg Community Hospital.	Wickenburg AZ	\$1,350
Little Colorado Medical Center (LCMC)	Little Colorado Medical Center MRI Machine - This project will provide a new MRI machine, allowing the medical center to expand services provided to Winslow residents and surrounding areas.	Winslow AZ	\$1,645
Arizona Western College	Arizona Weatherization Workforce Development Initiative - This project will establish a comprehensive training program to certify professionals in weatherization measures.	Yuma AZ	\$5,000
